## Glencar Waterfall

Glencar Waterfall is situated near Glencar Lake, 11 kilometres west of Manorhamilton, County Leitrim. It is particularly impressive after rain and can be viewed from a lovely wooded walk. The most dramatic waterfall descends from a 50ft rocky headland into a deep pool below in a haze of white spray. A paved path to the viewing area provides a wonderful vantage point from which to view the waterfall which is particularly spectacular during wet conditions.

**Dún Aonghasa**

Located on Inismór in the Aran Islands, Dún Aonghasa is one of the best examples of a semi-circular stone fort in Europe. Located on the 300ft cliffside on the south of the island, it is one of Ireland's most visited attractions and offers stunning views that stretch the length of the island.
